Exam Requested: THREE VIEWS OF KNEE WITH ACL RECONSTRUCTION - See Description Next Page

Diagnosis: S/P ACL RECONSTRUCTION  ICD-9: 717.83

Provider Name: STEPHEN M. HOWELL, M.D.  Provider's Signature: Stephen M Howell MD

**Please copy all images to CD.  
Remind patient to hand carry CD to Dr. Howell**

Make appointment or walk in at facilities listed above or a local one to obtain knee radiographs

**Obtain these Three Radiographs of Knee**

- 1) **Weight-Bearing full extension A/P view**
- 2) **Weight-Bearing 45° flexed P/A view**
- 3) **Lateral view of knee in hyperextension**

***Patient positioning for lateral roentgenogram  
of fully extended operative knee***

Place heel on bolster to hyperextend.

***Lateral roentgenogram***

Must be less <6mm.

An acceptable lateral roentgenogram of the fully extended knee has less than 6mm between the medial and lateral femoral condyle.
